OUR CREDIT UNION CLOSES DEAL FOR NEW BRANCH

Troy, MI. March 26, 2010 — OUR Credit Union closed the deal for a new branch office in Troy. The new building site is at 6693 Rochester Rd, just south of South Boulevard. A date for the groundbreaking has not yet been scheduled.

“OUR Credit Union has been fostering and building relationships with our members and the southeast Michigan community since 1959,” states Executive Vice President Tina Dix. Mrs. Dix goes on to say “We are a strong community supporter, secure financial institution and we take great pride in the service we provide to consumers. We are looking forward to meeting our new neighbors and building both personal and business account relationships as we branch out and set down our footprint in Troy.”

The architectural firm of George Covalle Architect & Associates, Inc is providing the design for the 3000 square foot building, with a full service lobby including safe deposit boxes, a three lane drive-through along with a drive-up ATM and night drop box. The project is supported by the engineering firm of GJ Perelli Company as the general contractor. The new branch is scheduled to be open for service in the fall of 2010.
